The game of golf includes enjoying the outdoors and the serenity offered by your surroundings. You can assist in maintaining a favorable environment.

Preparing for Your Shot

- Try to visualize your next shot and how you are going to play it before you get to your ball
- Do not spend an unreasonable amount of time determining your yardage. Much of this can be done while others are playing their ball
- If CPO, determine reasonable distance from cart path and then take three clubs
 - the one,
 - one up and
 - one down

Pace of Play

- Slow play affects everyone playing behind you as well as your own foursome.
- A focused effort to play in a timely manner will make golf more enjoyable for everyone.
- Playing “ready golf” will greatly increase the speed of play and will not interfere with your fellow golfers.
- Always carry an extra ball in your pocket

Pace of Play (2)

- Pace of play will be improved when
 - The scores are recorded at the next tee box and
 - The passengers tee off first
- Proceed to your ball
as soon as
it is safe to do so

Pace of Play (3)

- Minimize your practice swings
- Take your practice swings in advance of your turn to hit the ball
- Hit “out of turn” if it is safe to do so (unless match play)
- Be ready to hit when it is your turn

Pace of Play (4)

- Keep up with the group in front of you. If there is a hole open in front of you, you may be playing too slow
- Don't let Chit-Chat slow down your golf game

The Honor

- The first shot on a given tee goes to the player with the lowest score on the previous hole
- You have the honor until you lose it.
- At Ocean Ridge we
 - Play “Ready Golf” – unless playing match play

 - Then advance and commence your search for the first ball
- The Rules of Golf allow 5 minutes to search for a lost ball
 - If the first ball cannot be found
 - Go hit the provisional ball

On the Putting Green

- The player whose ball is closest to the pin (flag) should tend it while others putt

All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be.

trust that others
are honest too**
