TOURNAMENT FORMAT: The game is a Captain's Choice (Scramble). Four-person, mixed-couples teams will be assigned by the Committee. Every player will drive. Each team member must contribute a minimum of two drives to the tournament team score. The team will select its best drive and all team members will hit from within one club length, no closer to the hole and in the same conditions. The team chooses its next best shot and all players shoot from there. Continue this process through the hole. Teams will record one score per hole. Putt the ball out, no gimmies. All women will play from the red tees- all men will play from their designated tees. If on game day, the course is cart path only, then lift, clean and place. Handicapping for this tournament will be as follows: 20% from A player, 15% from B player, 10% from C player and 5% from D player.
