Tournament Happenings

The game is a Captain's Choice (Scramble). Four person, mixed couples teams will be assigned by the Committee. Every player will drive, but there is no minimum number of drives required per team member. The team will select its best drive and all team members will hit from within one club length, no closer to the hole and in the same conditions. The team chooses its next best shot and all players shoot from there. Continue this process through the hole. Teams will record one score per hole. Putt the ball out, no gimmes. Each player will have two mulligans as part of the entrance fee. All women will play from the red tees; all men will play from their designated tees. If on game day, the course is cart path only, then lift, clean and place through the green.

Upon completion of play, please turn your scorecards in to Melanie Kelley or Jack Roberts in the starters' area when you return your carts.

If you need to cancel within 72 hours of the tournament, please contact Melanie Kelley at 575-4990.

After signing up below, please drop checks off at the Property Owner Liaison Office in the Panther's / Lion's clubhouse. Please make **checks payable to ORLGA**. Be sure your check indicates your name and address. Payment must be received by **August 25, 2017**.

(PLEASE NOTE: Rally Flag money should NOT be included in the payment noted above. Please drop your flag donations off at the home of Kathy Beadnell @ 588 Dartmoor Way. A drop box can be found on her front porch.)

Additional share-the-wealth tickets will be available for sale at the luncheon. Please enjoy your winnings and do not give them back. Winners and prizes will be announced during the luncheon.
