Please add their names in the comments and change quantity to 4.** If you do not have a full team, you may sign up just yourself or an incomplete team and others can join your team.

Your team's tee time and starting hole will be determined after the sign-up sheet closes.

Day 1

Game: 4-Person Scramble

Format: All players tee off then choose the best shot and mark spot. The next shot for all players must be placed within one club length of the chosen spot, no closer to the hole, and must remain in the same area of the golf course. For example: If the chosen ball is in the bunker, all must hit from the bunker. Also, if the chosen ball is in the first cut of the rough, close to the fairway, then one club length can put you in the short grass of fairway. Then all hit their second shot. Again, choose the best shot and all play from within one club length from that spot. Continue until the ball is holed.

Handicapping Information: A: 25% B: 20% C: 15% D: 10%

Rules: Must use TWO drives from each player.

Day 2

Game: Two Low Nets and a Snowman

Format: Count the TWO lowest nets on each hole. Also, each team member will mark her ball with a snowman. You must play this ball until lost. For every player who doesn't lose their ball and still has it at the end of the round, one stroke will be deducted from the team score.

Handicapping Information: 100% Handicapped

Rules: Lift, clean and place within one club length thru the General Area. Ball must stay in the same condition.

Must use two nets from each player. 12" gimmes.

There will be a drop zone for Panther's Run Hole #18 in effect.

This is a Postable and Ringer's Round.
